Kid's in the Kitchen *Monday, September 10th 11:00am*
This month we will be making Apple Tarts with a pre-made pie crust so it's a little easier. The kids will be peeling the apples using my apple peeler, sprinkling on cinnamon and sugar, covering their dessert with another pie crust and using a fork to seal the edges. I've already had quite a few people express interest and only 6 or so seats to fill around my table, so call Heather at 620-7033 early to ensure your spot. If the kids are interested and the moms are up to it, we can even use some extra apples to do apple paintings with while the tarts are baking.
